Principal’s Message

I would like to invite you all to attend our very first Curriculum Café. The Café will be held in the hall on Monday 1st September, at 10.00am. Details regarding the format of this special event can be found further on in the newsletter. Seating will be café style and seats are limited to 100 only. Once all tickets have been sold, there will be no extras released. It is hoped that all tickets will be sold prior to the day. Purchasing your ticket early assures you of a seat and allows our hard working volunteer caterers to know how many to cook for. Please come along and invite grandparents, aunties, uncles and friends. Tickets are $10 each which includes a delicious high tea, entertainment and lucky door prizes.

On more technical issues, the teaching team will soon be looking at school planning for the next 3 years. The Department of Education has just released its School Excellence Framework which defines the vision of quality education in public schools across the state. The Maclean Public School 3 year Plan will be developed in consultation with the community. More information regarding this process will be sent home in future newsletters and presented at P&C meetings.

Our Book Week Parade was a winner with wonderful participation by students and staff. Thank you to families for supporting children in the creation of costumes. There were many book characters represented on the day and it was obvious to see that books make a wonderfully positive impression on our children.

Kind Regards,
Sandra Armstrong
Principal
