Curriculum Café a must

Principal’s Message

I write this week to gather your support for our first ever Curriculum Café.

The café will be held in our school hall next Monday, 1st September from 10.00-11.00am. On the day you will be entertained by our talented students while you enjoy delicious home cooked treats as part of Maclean High Tea. The High Tea includes tea, coffee, sandwiches, tarts, cupcakes, quiches, sausage rolls and petit fours. Children from all classes will share with you how they are learning in the 21st century classroom and our choirs and musical ensembles will perform.

You may even win something special in the lucky door prize!

Children, teachers and parents have put an enormous amount of time and effort into this special event, but at last count, only a few tickets had been sold. Please support this special school event. We are even supplying free toddler minding in our school library so that mums and dads with little ones can attend. We encourage you to make up a table by inviting other family members and friends to join you. Tickets are available from the front office for $10. This includes all food, refreshments and entertainment. It would be very disappointing for the students to perform to a near empty hall.

Hoping to see you on Monday.

Kind Regards,

Sandra Armstrong
Principal

SESQUICENTENARY CELEBRATIONS

Are you an ex student of Maclean Public School? If so and you would like to share a memory or two about your school days, now is the time to do it! We have some very able senior students keen to record your thoughts. They will be available at the school to record your interview every Friday between 1.00pm and 2.00pm. Please contact the office to choose a date. The footage will be used as part of Sesquicentenary celebrations next year.

OLD PHOTOS OF MACLEAN PUBLIC SCHOOL

If you have any old photos of the school you are willing to share, please bring them into the school office for us to photograph. We are compiling a photographic history of the school and its students and staff for next year’s Sesquicentenary.

P&C FATHERS DAY STALL

A very successful Father’s Day stall was held over the past two days. A lot of work from the P&C went into making this event happen for all the students to be able to purchase a special gift for their dad. A big thank you to all that donated lollies towards the stall they were very much appreciated.
