At Maclean Public School our students are encouraged to achieve their best, to accept new challenges, to persevere, to recognise effort and to applaud success. We encourage a culture of participation and achievement.

"Maclean Public School has a strong sense of community and encourages and supports children in a whole range of endeavours. We commend the teachers for their commitment to the students' academic development as well as nurturing values."

V. McMahon, President Maclean Public P&C 2014

Safe and Happy School

Our students prosper in a safe, inclusive and nurturing learning environment that develops respect, understanding and responsibility. We have an effective welfare and discipline program that promotes values, develops social skills and builds confidence in students.

A Rich Learning Experience

We offer our children an education that is challenging and individualised, including:

- Stimulating education programs that meet student needs
- Up-to-date technology with desk top computers, lap tops and iPads in each classroom
- A strong focus on literacy and numeracy
- Opportunities to participate in arts’ music and sports programs
- Safe, secure, disciplined learning environment
- Caring, dedicated and professional teachers who inspire a love or learning
- Successful kindergarten orientation and high school programs
- Specialised support for students with learning difficulties
- Strong links with parents, local business and the wider community

Quality Teaching and Administrative Staff

Maclean Public School delivers a quality education to all its students. Our team of teachers is highly professional and dedicated. Teachers inspire and encourage their students to explore individual interests and talents and support them in all areas of their learning.

Our teachers have strong cooperative relationships with parents. Our school encourages parents to be active participants in school decision-making and to have valued input the education of their child.

Rest assured that your children will be taught and nurtured by caring teachers and further supported by enthusiastic and helpful administrative staff.

Developing Confident and Articulate Students

Student leadership is encouraged at Maclean Public School with all senior students elected to portfolios within our Maclean School Parliament. The Parliament focuses on decision making, citizenship and public speaking.

Strong Performing Arts and Sporting Programs

An innovative creative arts program offering recorder, drumming and violin ensembles, junior and senior choirs and visual and performing arts foster the individual talents and interests of each student. We participate in major performances at both the local and state levels.

Our sports program builds on a tradition of achievement with students excelling at local, regional and state levels. We provide a varied and inclusive physical education program led by a talented and experienced staff.
